OUTDOOR SOCCER
PROGRAM DETAILS

FOOTHILLS GRASSROOTS

At Foothills Soccer Club we look to create an environment where we encourage our young players to have fun, be creative and grow a "love for the ball". We use appropriate coaching styles where the fundamental movements & skill development is at the forefront of our sessions/games.

Our focus will be to ensure every player enjoys the game of soccer in a fun learning environment within their community with friends. We will focus on the "skill hungry years" from three to nine and build on the key motor skills that will provide a solid foundation for their ABC's (agility, balance and coordination). We try to create innovative coaches who can use a variety of teaching skills to engage our players through passion and flexibility. The Foothills culture is one where we share, enjoy, and look to influence our fellow Grassroots volunteer coaches by promoting boundless enthusiasm which will continue to grow our future players.
